SUMMARY

A motivated and goal-driven ICT graduate with solid programming and software testing skills. Experienced in developing software applications using web technologies such as React.js, HTML, CSS, and JavaScript, with foundational knowledge in Node.js, Python, and cloud-based database systems. Currently expanding my expertise in Java through a learnership program at Capaciti. I am passionate about applying my skills to contribute to innovative tech solutions while continuously growing through hands-on industry experience.

EDUCATION

Software Development Learnership

Capaciti

📅 Present

Introduction to Machine Learning on AWS

Amazone Web Services

📅 05/2025

Developing Back-End apps with Node.js And Express.js

IBM

📅 03/2025

Python Programming and Artificial Intelligence

Samsung Innovation Campus

📅 03/2025

Diploma in ICT in Application's Development

Walter Sisulu University

📅 12/2024

National Senior Certificate

Silver Heights Secondary School

📅 12/2020

TECHNICAL SKILLS

HTML   CSS   JavaScript   Java   web development   SQL   Express.js
AI   Debug and test software   Oracle Apex   Python   Typescript   React.js   APIs
MS Word   PowerPoint   Excel   MS Access   Jira & Trello   Figma   NLP
php   Hosting   Firebase   Node.js   VB.net   GitHub   Machine Learning

PROJECTS

- **Real-time Weather website**
- **ScholarChat**: Educational chatbot
- **Real-time Chat application**
- **QuadJewellers:** Jewellery store Web Application
- **CodeSnack**: Educational content generator
- **EduPath**: AI-based application that stimulates SA universities application process.

Achievements

Participant in Hackathon

TelkomLearn

📅 09 /2024

Collaborated on a team to develop a web application to bridge the digital divide.

Participant in Datathon

IBM Z

📅 10 /2024

Gained hands-on experience in data analysis and visualization using Python and machine learning .

WORK EXPERIENCE

Mentor

Walter Sisulu University

📅 09/2024-10/2024   📍 East London

Responsibilities:

- Guided and supported students on coding practices, academic progress, and collaborative software development.
- Fostered team collaboration, resolving conflicts, and ensuring timely project delivery.

Bookkeeper/cashier/ merchandiser

Khanya Best Quality Garments

📅 12/2023-03/2024   📍Tsolo

Responsibilities:

- Design store layouts and update inventory records regularly.
- Strategically present uniforms to schools.
